

key features of the Rowanmoor Pensions life assurance scheme

The Rowanmoor Pensions Life Assurance Scheme provides death-in-service benefits of up to the lifetime allowance, for members of Rowanmoor Pensions' Small Self-Administered Schemes (SSAS), Self-Invested Personal Pensions (SIPP) and Family Pension Trusts. The lifetime allowance is £1.8 million in the tax year 2011/2012 and will reduce to £1.5million from 6 April 2012.

its aims

The scheme provides death-in-service life assurance for the members of a Rowanmoor Pensions SSAS, SIPP or Family Pension Trust. Upon joining the Rowanmoor Pensions Life Assurance Scheme, cover of up to the lifetime allowance, less the value of any existing pension benefits, is available, which is paid as a tax-free lump sum on death, to a spouse and/or other dependants, by the trustees of the pension scheme. Cover is not available to members who have enhanced protection, or fixed protection

The main benefits are:

- security for members of a Rowanmoor Pensions SSAS, SIPP or Family Pension Trust;
- competitive rates for low cost life cover of up to the lifetime allowance;
- tax-efficient premiums;
- tax-free benefits;
- available for all eligible members aged 18-69;
- annual renewals with no underwriting.

your commitment

Cover up to the value of £600,000 (age 18 nbd to 50 nbd) or £300,000 (age of 51 nbd to 60 attained) can be provided, without the need for underwriting, if the member is resident in the UK and the answers to five lifestyle questions and the member's height and weight prove acceptable. Please refer to the Simplified Application Form for details.

Members must be between the ages of 18 and 65 years old and be actively at work (employed for a minimum of 20 hours per week). Cover can continue to age 69. Standard premium rates will apply to members in an occupation of a sedentary nature. Members who are in a non-sedentary occupation will pay increased premiums.

Premiums fall due at the date of joining the Life Assurance Scheme. All premiums are paid annually in advance, (pro-rata for members who join mid-term). The renewal date for the Life Assurance Scheme is 1 July each year. Premiums can only be paid directly from the pension fund or via the principal employer if it is a small self-administered scheme.

Cover will cease for a member in the following circumstances:

- at age 70;
- on cessation of employment;
- upon transfer of benefits to another provider;
- non-payment of premiums.

If you do not inform us of any changes your life cover may be invalid.

the risks

Circumstances can easily change and a number of factors need to be considered when you decide whether to become a member of the Rowanmoor Pensions Life Assurance Scheme:

- changes in tax law may reduce the tax advantages offered to you by the scheme;
- tax charges and penalties can be imposed by Her Majesty's Revenue and Customs if its regulations are not complied with;
- any death benefits that are in excess of the lifetime allowance for a member will be subject to tax;
- non-disclosure of any material facts may result in cover being invalid.
