

SIPPView Registration Procedure

As a Rowanmoor Pensions SIPP client, you have access to the online service **SIPPView**.

SIPPView makes it possible to view a wide range of information about your Rowanmoor Pensions SIPP online, including valuations, financial transactions, asset holdings, benefit details and adviser fees.

Registration is a two stage process.

Stage 1 - Security Registration

- 1 We receive your application.
- 2 We send you a personal Security Questions Form. We will only be able to answer your telephone queries and provide you with access to **SIPPView** once we receive this information.
- 3 You complete the form and return it to us in the pre-paid envelope provided.
- 4 Your data is added to **SIPPView**, awaiting activation and we will send you details of how to sign up.
